HISTORY AND PURPOSE OF THE EAST SIDE Y'S MEN'S CLUB

Our club was founded in 1955 for the purpose of providing financial support for the youth programs and facility needs of the Wichita East Branch YMCA & YMCAs of Greater Wichita. The past four decades have seen the Y's Men donate much needed facility equipment as well as fund youth program scholarships on an annual basis. Our financial support is made possible by funds raised from the operation of one of the largest, independent Christmas tree lots in the state. We believe in the goals, objectives, and philosophies of the YMCA and like to think of the Y's Men's Club as a partner with the East Branch YMCA in serving the community.

WHO'S IN THE CLUB?

There are architects, accountants, bankers, real estate executives, doctors, and salesmen to name a few.

WHEN DO WE MEET?

We meet Mondays at 12:00 noon at The Scotch & Sirloin for lunch with occasional speakers from the local community.

SOCIAL EVENTS

Family and Friends are an important part of the Y's Men's Club. We try to meet on a monthly basis outside of the business environment for a social. This might be a Brewery tour, a Wingnuts Game, Pinot's Palette, Golf or Shooting Tournament, a tour of Classic Cars, Steak or Chili Feeds and more! Some events are guys only and others we encourage you to bring your sweetheart! The Flint Oak Shoot-out, Steak-Feed & Christmas Tree Lot are a few of our Flagship Events.
