Everyone has heard of the Y

The Greater Wichita YMCA is a 501(c)(3), and has been since it was founded 130 years ago. The YMCA's mission is to put Christian principles into practice through programs that promote healthy lifestyles, strong families, and positive youth development to build healthy spirit, mind and body for all, regardless of ability to pay. We live our mission every day and you can see this through the people that enter our doors, and in our programs in the greater Wichita area. We are able to serve everyone because of donors, such as you, that give to our Strong Community Campaign.

Through our Strong Community Campaign, the Greater Wichita YMCA provides more than 77,000 kids and adults with over \$6 million in free elementary and reduced cost programs and services. These programs and services include after school programs for elementary and middle school students, job preparation for high school students, a 6-week water safety course for low-income 2nd graders, day camps, youth sports, child care and memberships.
